Ei Eastern Industrial & Trading

COMPANY PROFILE 2026

Institutional supply, delivered to specification.

IT, laboratory and industrial equipment, building systems, commodities and metals for governments, international organisations, diplomatic missions and corporations worldwide.

01 · ABOUT US

A trading house for institutional procurement

We source, consolidate and deliver equipment for public tenders and direct institutional requests, from a single item to a complete lot, anywhere in the world. Every purchase is made against a signed contract with an institutional client.

Who we supply

Governments and ministries · International organisations · Embassies and diplomatic missions · Defence and security organisations · Corporations, including S&P 500 members

What we supply

IT equipment · Laboratory equipment · Industrial equipment · Building and technical systems · Commodities and metals · Special orders

02 · HOW WE WORK

Six in-house stages, one supplier

01	02	03	04	05	06
Sourcing	Legal & contracts	Quality check	Consolidation	Logistics	Customs clearance

Every stage closes with a document: request for quotation, purchase order, packing list and delivery acceptance certificate.

03 · PRINCIPLES

Zero tolerance for corruption

No bribes, commissions or favours in any procurement.

Sanctions and export compliance

Every transaction screened before we quote.

Original goods only

From manufacturers and authorised distribution channels.

Client confidentiality

We do not publish client names, contracts or tender details.
